

GNS/Cir//2022-23

21st March 2022

Dear Parent,

Greetings from GNS!

The academic year 21-22 is coming to an end and the journey has been quite eventful. Our teachers and students have adapted themselves to the virtual classrooms seamlessly. We at GNS are committed to providing the best quality education to our students. And that's why we need your co-operation.

Could you spare some time to fill out our anonymous survey? <http://surl.li/bouqe>

It shouldn't take more than 4 minutes in total, but it'll be of invaluable help in streamlining our processes. Please send in your feedback by the 25th of March 2022

Thanks!
